International Military Organisation Sphinx

Dear Friends,

At present, we as branch committee are working very hard to make our anniversary and annual gathering-festivities of IMOS branch Coast-Bruges-Netherlands to a success. This event at the Van der Valk (Falcon) hotel Princeville-Breda will be held for the first time on September 9th -2017 in the Netherlands. Additional preparations are in full swing.

The slogan that will be used this year: **THERE ARE NO LIMITS FOR CO-OPERATION.**

Indeed it is a great challenge for our new IMOS branch committee Netherlands, to organize such a big event that will hopefully succeed. The committee maybe successfully working on this event, but unfortunately does depend on benevolent sponsors, (additional) donations, volunteers, members and guests including equivalent associations of the Netherlands, Belgium and overseas, wishing to participate at/for the IMOS annual celebration in 2017.

In this way, I as branch president mean without any diffidence, that co-operation should go hand in hand and can go wherever it's necessary to support each other, not only in remembrance, but also want to be present at an annual gathering enabling to endure that there are no limits to solidarity whatever we stand for: **"TOGETHER IS POWER".**

Please do not hesitate as a member/non member of/from any association whatsoever, to specify already for the IMOS-annual celebration in 2017 Breda. I can tell you all and now give away that the extensive Buffet dinner is set at € 40.00 per person.

Please confirm your personal attendance by paying already in advance € 40.00 per participant-member. Payable to: **RABOBANK NL08RABO 0306392259 – BIC: RABONL2U.**

In the name of our branch treasurer: Mrs. P.G.C Paulssen-Huijerjans.
